### YOUR UNIVERSITY'S NAME HERE

### FORENSIC SOCIAL WORK: A SOCIAL JUSTICE SYSTEMS APPROACH

### Course Number and Section Semester and Year

Course #: SW ????-?? Instructor: Instructor's Name Here

Term: Spring, Fall, or Summer Year

Class Schedule: Day and Time

Class Location: Building, Room #

Course Management Web Address: If

Office location: ?

Telephone: ?

E-mail: ?

applicable

**Required Texts:** Maschi, T., Bradley, C., & Ward, K. (Eds.) (2009). *Forensic social work: Psychosocial and legal issues across diverse practice settings*. New York: Springer Publishing Company.

**Additional Readings:** Available from Instructor and/or Guest Presenters (see bibliography)

# **Course Description:**

This course provides an overview of forensic social work practice and theory. Additionally, it illustrates skills for working with diverse populations across the lifespan and across diverse settings, such as community, medical, school, child welfare, mental health and addictions, and juvenile and criminal justice settings.

## **COURSE OBJECTIVES:**

Students that participate in this course will be able to:

- 1. Articulate and apply relevant theoretical frameworks and approaches to client populations impacted by legal issues.
- 2. Demonstrate an understanding of the structure and processes of the legal system in the United States and how it impacts social work practice with diverse populations and settings throughout the life course.
- 3. Critically analyze ethical issues and legal issues related to social work and the law.
- 4. Develop familiarity with the adversarial nature of the legal process and with the civil and criminal issues and laws that impact client populations.
- 5. Identify social and legal issues and their relationship to social human rights, social justice, and social welfare.
- 6. Demonstrate how to work and advocate on behalf of their clients and learn how social workers interface with the law, lawyers, & the courts.

# FORENSIC SOCIAL WORK COURSE OUTLINE

**Required Texts:** Forensic social work: Psychosocial and legal issues across diverse practice settings. New York: Springer Publishing Company. (\*MBW)
