PARKING

After unloading all your belongings, you will be instructed to immediately move your car to make room for the next arriving student. You should explore the surrounding neighborhood for street parking. Please be patient, as the area can be more crowded than usual due to move-in.

WHAT TO EXPECT UPON ARRIVAL

Be prepared to share the name of the House where you will be living – there are two drop-off areas and you will be directed to the closest one. In addition to helping you move your belongings, House O-Aides will be on the curb in front of Burton-Judson to answer questions and provide general assistance. They can point you towards the front desk inside Burton-Judson, where you will be able to pick up your keys, learn how to get to your new room, and receive instructions for the rest of the day. You will have time to unpack before checking in for Orientation during the afternoon.

RESIDENT DEAN RECEPTION

Resident Deans, faculty members who live in the residence halls, strive to make the intellectual life of the University and the cultural life of Chicago part of the daily lives of their student residents. The Burton-Judson Resident Deans – Andrew Siegel and Patty Jones – look forward to welcoming you after you have moved in at a reception for students and their families. Please look for signs directing you to the appropriate location and time.
