In order to avoid running the meter while waiting in line, taxicabs should be directed to drop off passengers on the corner of 59th Street and Blackstone Avenue. Taxicabs coming from the airport should follow the directions below via I-94. On Blackstone Avenue, you can exit the cab and a House O-Aide will help you unload and direct you to the check-in area.

After you have unloaded your belongings, **students only** should check-in in the Assembly Hall. Family and friends should **not** wait in line in the Assembly Hall with the student. They may proceed straight to the elevators and to the student room upstairs and await the student outside their room door.

PARKING

After unloading all your belongings, you will be instructed to immediately move your car to make room for the next arriving student. You should explore the surrounding neighborhood for street parking. Please be patient, as the area can be more crowded than usual due to move-in.

RESIDENT DEAN RECEPTION

Resident Deans, faculty members who support the Houses within the residence halls, strive to make the intellectual life of the University and the cultural life of Chicago part of the daily lives of their student residents. The Resident Deans for the Houses in International House – Craig & Kenyatta Futterman– look forward to welcoming you, after you have moved in, at a reception for students and their families. Please look for signs directing you to the appropriate location and time.
