UNLOADING

The University Police Department will help direct traffic and restrict parking on 56th Street on the morning of Move-In Day. When you turn onto 56th Street, you may see a barricade or even a police officer standing there. Simply let the officer know that you are moving into Max Palevsky and they will give you access to 56th Street. If you live in Max West, you should park close to Ellis Avenue. If you live in Max Central, park about halfway down the block in front of the big yellow doors. If you live in Max East, park almost at the end of the block near University Ave. In order to avoid running the meter while waiting in line, students arriving by taxi should pull up to the curb along 56th Street. Taxicabs coming from the airport should follow the direction above via I-94. At 56th Street, you can exit the cab and an Orientation Aide will direct you to the front desk to check in.

PARKING

After unloading all your belongings, you will be instructed to immediately move your car to make room for the next arriving student. There is street parking available as well as a parking structure located at 55th and Ellis.

RESIDENT DEAN RECEPTION

Resident Deans, faculty members who live in the residence halls, strive to make the intellectual life of the University and the cultural life of Chicago part of the daily lives of their student residents. The Max Palevsky Resident Deans – Jason and Suzanne Riggle– look forward to welcoming you after you have moved in at a reception for students and their families. Please look for signs directing you to the appropriate location and time.
