UNLOADING

Because the entrances to Snell-Hitchcock are all located on the main quads, it is not possible to drive to the front door. **The car line will begin on 57th St. Ellis Avenue, headed east, toward University Avenue.** Upon arrival, please join the end of the line. By doing so, you will soon be able to unload right in front of the pedestrian gate next to the building (note: if you followed the driving directions above, you should end up at the end of the line). Please know that there will be copious signage directing you, as well as **House O-Aides**. In order to avoid running the meter while waiting in line, taxicabs should be directed to drop off passengers at the corner of 57th Street and Ellis Avenue, on the southeast corner of the intersection. Taxicabs coming from the airport should follow the directions above via I-94. Please remember that Snell-Hitchcock does NOT have elevators. Please be thoughtful about packing boxes and bags so that the O-Aides can help carry them upstairs to your room.

PARKING

After unloading all your belongings, we ask that you immediately move your car from 57th Street to make room for the next arriving student. There is street parking available, as well as a parking structure nearby at 55th and Ellis.

RESIDENT DEAN RECEPTION

Resident Deans, faculty members who live in the Residence Halls, strive to make the intellectual life of the University and the cultural life of Chicago part of the daily lives of their student residents. The Snell-Hitchcock Resident Deans – Larry and Penny Rothfield – look forward to welcoming you after you have moved in at a reception for students and their families. Please look for signs directing you to the appropriate location and time.
