## UNLOADING

In order to facilitate a smooth and orderly flow into the building, cars will be lined up and students will be able to unload in the order in which they arrive. The car line will extend from the Stony Island parking lot out along the eastbound lane of 57<sup>th</sup> Street. Upon arrival, please join the end of the line. By doing so, you will soon be able to unload near the front of the building (note: if you followed the driving directions above, you should automatically arrive at the end of the line). In order to avoid running the meter while waiting in line, students arriving by taxi may unload on South Stony Island Avenue, just south of 57<sup>th</sup> Street and directly in front of Stony Island House.

Taxicabs coming from the airport should follow the direction above via I-94. At Stony Island Avenue, you can exit the cab and an O-Aide will help you unload and direct you to the check-in area.

## PARKING

After unloading all your belongings, we ask that you immediately move your car from the Stony Island parking lot to make room for the next arriving student. Make a right out of the parking lot and then turn left or right at the light onto Stony Island Avenue. Street parking should be available on Stony Island Avenue. Please be patient, as the area will be more crowded than usual due to move-in.

## RESIDENT HEAD RECEPTION

There will be signs directing you to the Resident Head apartment in your House so that you know where to find them when you need them. The Resident Heads look forward to welcoming you after you're moved in at a reception in their apartment, please look for signs directing you to the appropriate location and time.
