This space is provided for additional comment on your identity with the groups named above, if required.

Please initial next to each statement to show that you understand and agree to the terms described.

I acknowledge that if enrolled, I am subject to all rules and regulations of the UP on EHS program and the University of Chicago.

I acknowledge that if selected, I am subject to all infection control regulations and protocols of the UP on EHS program and the University of Chicago. These entail training and education, the use of personal protective equipment, and the practice of physical distancing while on site.

If enrolled, I am required to participate in the full two years of programming, including an eight-week mentored research experience for two consecutive summers and monthly enrichment activities during the academic year. Only emergency absences will be excused.

If enrolled, I will be required to make my own arrangements for housing and daily transportation. The UP on EHS program is not responsible for any accommodations outside of the program.

I attest that the information included in this application is complete and accurate, to the best of my knowledge.

May we share your application information with colleagues interested in recruiting for similar science enrichment programs?

- Yes
