Beginning of questionnaire:
In this questionnaire, we will ask you some basic questions about your school. The answers to these questions are strictly confidential. If you do not know the exact answer to some of the questions you can refer to any relevant records. If no records are available please offer your best estimate based on your knowledge. For some questions there may be several possible answers, please select the most appropriate answer and circle the number that corresponds to your answer. If you have any questions while completing this questionnaire, please feel free to ask us. Do you have any questions now? Thank you very much for your participation.

A. Basic Information

A1. County _______________  County code:  
A2. Township _____________  Township code:  
A3. Village _______________  Village code:  
A4. Name of Principal ___________  
A5. School_______________  School code:  

B. General Information

B1. This school is a:
   1. Primary School  2. Middle School  3. High school  
   4. Vocational middle school  5. Vocational teachers’ middle school
   
   a. From what grade to what grade? _____Grade to ______Grade
   b. If this is a primary school it is a:
      1. teaching point school  2. village school  3. central school  4. county primary school

B2. Are you the principal?
   2. No … b. What is your position? 1. Other administrator 2. Teacher 3. Other (Please explain__________)

B3. How can this school be categorized?
   1. Public
   2. Private
   3. Public but privately assisted
   4. Other. Please explain,____________

B4. On average how many classes do students have per day? (including early study hall, extracurricular activities and extracurricular coaching) _____Classes
   Of these a. ___________ classes are regular classes.
   b. ___________ classes are self study.
   c. ___________ classes are extracurricular activities.
   d. ___________ classes are extracurricular coaching.
   e. ___________ classes other (Please explain__________)

B5. How long is each class at this school? ________minutes.

B6. How many weeks of lessons are there at the school? ________Weeks

B7. Does this school have a break during the busiest time of the farming season?
   1. Yes … a. On average how many days long is the break? ________days
   2. No

B8. Does this school have any boarding students?
   1. Yes… a. How many boarding students are there at this school? _____Students
      b. How many boarding students are male? ________Students
      c. How many boarding students are female? ________Students
   2. No
B9. Are the following factors important in deciding whether a child enters this school?

- a. Area of residence
  - Yes
  - No
- b. Parent’s ability to pay
  - Yes
  - No
- c. Entrance examination
  - Yes
  - No
- d. Other. Please explain.
  - Yes
  - No

B10. Would the following factors influence whether or not a child would drop out of school? (Please circle the appropriate number: 1 represents no influence at all, 2 represents no influence, 3 represents undecided, 4 represents has influence, 5 represents has a great influence.)

<table>

B11. From September 2003 to June 2004 how many teachers left this school (include all reasons)?

- _____ teachers.
  - a. From among these, how many teachers retired?
  - b. From among these, how many teachers went to another school to work as a teacher?
  - c. From among these, how many teachers left and changed occupations?

B12. From September 2003 to June 2004 how many new teachers came to the school?

- _____
  - a. How many teachers were newly assigned to this school?
  - b. How many teachers were transferred in?

B13. This semester, how many teachers had missed days at work?

- _____

B14. Of these how many teachers were absent:

- a. Less than 4 times a semester?
  - _____ teachers
- b. 4-10 times a semester?
  - _____ teachers
- c. 11-20 times a semester?
  - _____ teachers
- d. More than 20 times a semester?
  - _____ teachers

B15. Does the school have a common requirement for the number of hours a teacher must work per day?

1. Yes … ➔ a. On average how many hours must the teachers work per day?

- _____ hours
B16. This semester what was the total number of students in the school? _______ students

B17. From September 2003 to June 2004 please provide the basic information for each grade level requested in the table below: (Please refer to the relevant records and endeavor to provide as accurate information as possible. If no records are available please offer your best estimate.)

B25. How many teachers in this school used to be minban teachers? _______

B26. During this semester how many of your teachers participated in professional development training outside of the school? _______ (for example at an in-service teacher training institute, educational project specialist training, district training activities, teaching and research activities organized by another school etc.)

B27. What is the average monthly salary of a gongban teacher ______Yuan

B28. What is the highest monthly salary earned by a gongban teacher at this school? _____Yuan

B29. What is the rank of the teacher who earns the highest salary at the school?
1. Intern
2. Primary level two
3. Primary level one
4. Primary high level
5. Middle school level three
6. Middle school level two
7. Middle school level one
8. Middle school high level

B30. Does the school have substitute teachers?
1. Yes … → a. What is the average monthly salary of a daike teacher in your school?_____yuan
2. No

B31. From June 2003 to June 2004 how many teachers received a bonus? ______

B32. From June 2003 to June 2004 what was the average bonus received by the teachers who received a
C. School Principal

This section will ask questions regarding the principal.

C1. What is the gender of the school principal?
   1. Male
   2. Female

C2. What is the school principal's highest level of education?
   1. Primary school
   2. Middle school
   3. High school
   4. Vocational middle school (zhong zhuang)
   5. Technical college
   6. Two year vocational college (da zhuang)
   7. University
   8. Graduate school
   9. Other

C3. Has the principal received professional training?  1. Yes 2. No.

C4. How many years of teaching experience (jiaoling) does the school principal have? ______Year(s)

C5. How many years has the principal been a principal at this school? ______Year(s)

C6. Has the principal been a principal at another school?
   1. Yes … → a. How many years was he a principal at another school?______year(s)
   2. No

D. Material conditions

This section will focus mainly on the school’s material conditions and economic resources.

D1. How many classrooms does this school have? ______

D2. How many of these classrooms do not meet the safety standards (weifang)? ______

D3. How many of these classrooms can be used when it rains? ______

D4. How many of these classrooms have a glass chalkboard? ______

D5. How many of these classrooms have a cement chalkboard? ______

D6. How many of these classrooms have magnetic chalkboard? ______
D7. [number missing]

D8. Do all the students have a desk and chair?
   1. Yes
   2. No… → a. How many students do not have a desk and chair? ______

D9. Does this school have electricity?
   1. Yes
   2. No

D10. What is the quality of the light in the classrooms? (including natural light and electric light)
     a. What percentage of classrooms in this school have poor light ______ %
     b. What percentage of classrooms in this school have average light ______ %
     c. What percentage of classrooms in this school have good light ______ %

D11. Does this school have a library?
     1. Yes … → a. How many books are there in the library? ______
        b. Can students borrow books from the library? 1. Yes 2. No
     2. No

D12. Does this school have a science laboratory?
     1. Yes
     2. No

D13. Does this school have a common teacher office or teaching and research room?
     1. Yes
     2. No

D14. How many teachers live at the school? ______

D15. Does the school provide dormitories for the teachers?
     1. Yes … → a. Are the dormitories free for the teachers?
        1. Yes
        2. No … → a. How much is the monthly rental fee? ______ Yuan
     2. No

D16. Are there computers in the school?
     1. No
     2. Yes… → a. How many computers are there? ______
        b. What was the source of the money used to buy the computers?
           1. Raising funds from among the teachers
           2. Grant from upper level administrators
           3. School budget
           4. Other donation
           5. Other
        c. Is the school’s computer(s) online? 1. Yes 2. No
        d. What are your school’s computers mainly used for?
           1. Students learning 1. Yes 2. No
2. Teachers collecting materials 1. Yes 2. No
3. School administrative work 1. Yes 2. No

E. Student Achievement

The following section will mainly focus on student achievement. Please fill in the appropriate numbers on the corresponding blank line.

E1. Is this school a key school in your district? 1. Yes 2. No

E2. Is this school a primary school or a middle school?

1. Primary school... ⇒ a. How many primary schools are in this school district? ______
   b. What is the ranking of this school among the schools in the district? ______

2. Junior middle school... ⇒ a. How many middle schools are there in this county?_____
   b. What is the ranking of this school among the other middle schools in the county? ______
   c. What percentage of the male students participated in the high school entrance examination? _____%
   d. What percentage of the female students participated in the high school entrance examination? _____%
   e. Of those male students who participated in the high school entrance examination what percentage of them went on to high school (including zhongzhuan)? _____%
   f. Of those female students who participated in the high school entrance examination what percentage of them went on to high school (including zhongzhuan)? _____%

3. High school... ⇒ a. How many high schools are there in this county?_____
   g. What is the ranking of this school among the other high schools in the county? ______
   h. What percentage of the male students participated in the university entrance examination? _____%
   i. What percentage of the female students participated in the university entrance examination? _____%
   j. Of those male students who participated in the university entrance examination what percentage of them went on to university (including dazhuan)? _____%
   k. Of those female students who participated in the university entrance examination what percentage of them went on to university (including dazhuan)? _____%

E3. In recent years what is the level of the examination scores of your graduating class as compared with the county (or school district)?
   a. Mathematics
      1. Excellent
2. Above average  
3. Below average  
4. Poor  

b. Chinese  
1. Excellent  
2. Above average  
3. Below average  
4. Poor

E4. Of the nine educational goals below which do you believe are the most important, second most important and third most important goals?

1. Development of students reading, writing and arithmetic skills. 
2. Obtain good examination results.  
3. To develop skills for employment and career.  
4. To develop good work habits and discipline.  
5. Personal development  
6. Develop citizenship and moral values  
7. Further community and social development  
8. Realize national economic development and prosperity.  
9. Develop students thinking ability and creativity. 

a. Most important ________ b. Second most important ______c. Third most important ______

F. School Finance

This section mainly focuses on your school’s finances.

F1. Has your school implemented the “One fee system”?  
1. Yes … → please fill out F2 column a.  
2. No…… → please fill out F2 columns b-f.

F2. This semester, please indicate below the required fees that students must pay by grade level. Please fill in the appropriate numbers in the corresponding cell of the table.

F6. Are there students that only pay a partial fee?

1. Yes … ➔ a. How many students only pay a partial fee? ________
   b. How many students have all their tuition fees waived? ________
   c. If students do not pay tuition or only pay partial tuition where does the rest of the money come from?
      1. Central government support  1. Yes  2. No
      2. District government support 1. Yes  2. No
      3. Project foundation support  1. Yes  2. No
4. School finances support 1. Yes  2. No
5. Individual support 1. Yes  2. No
6. Other (Please explain_____)

2. No

F7. Are the students in this school required to wear a uniform?
   1. Yes … → a. How much does a uniform cost? ______Yuan
      b. Usually once every how many years is it necessary to buy a uniform? _____ Years
   2. No

F8. During the past three years did the school organize a physical examination for the students?
   1. Yes … → a. How many times? ______times
      b. Did these include the following instances?
         1. Graduating class physical examination   1. Yes  2. No
         2. Whole school physical examination 1. Yes  2. No
         3. Other (Please explain ______)
   2. No

F9. How does your school evaluate teachers’ teaching?
   a. Principal observes teachers’ teaching     1. Yes  2. No
   b. Principal bases his evaluation on the teachers’ teaching attitude 1. Yes  2. No
   c. Examination scores of the students taught by the teacher. 1. Yes  2. No
   d. Teachers’ attendance record     1. Yes  2. No
   e. Teachers’ teaching research and results of the research 1. Yes  2. No
   f. Peer evaluation among the teachers     1. Yes  2. No
   g. Student evaluations     1. Yes  2. No
   h. Other (Please explain_____)

F10. In your school what percentage of the teachers score is determined by their students’ examination scores? ______% 

F11. Does your school hold a school wide parent meeting?
   1. Yes … → a. How many times per year is such a meeting held? _____times
      b. What percentage of the students’ parents usually take part?______%
   2. No

F12. How many times did the principal meet individually with parents during the past semester (including home visits)? ________times.

F13. How many times each semester does the principal speak with village leaders or government cadres about school affairs? ______times.
What were the meetings specifically about?
   a. To discuss raising money for the school     1. Yes  2. No
   b. To discuss the use of school finances. 1. Yes  2. No
   c. To discuss the hiring of teachers     1. Yes  2. No
   d. To discuss tuition or providing financial assistance to students. 1. Yes  2. No
e. To discuss the universalization of compulsory education  1. Yes  2. No
f. Other (Please explain_______)

F14. Usually how does the school principal decide on the school’s large expenditures?
   1. Principal makes the decision alone
   2. Principal makes the decision in consultation with the teachers.
   3. Principal makes the decision in consultation with the village committee.
   4. Principal makes the decision in consultation with both the teachers and the village committee.

G. School Construction

The following section pertains to the school’s construction.

G1. What year was the main building built? ______

G2. What are the main construction materials used to build the school building?
   b. Walls  1. Clay  2. Brick  3. Other (Please explain______)

G3. During the past five years have any classroom buildings been renovated or newly built?
   1. Yes …
      a. What year was it remodeled? __________
      b. How much did it cost? __________Yuan
      c. How much was funded by the government? (Including money shared out by government officials) __________Yuan
      d. How much was funded by village collections? __________Yuan
      e. How much came from money raised from students? __________Yuan
      f. How much came from money raised from teachers? __________Yuan
      g. How much came from Project Hope or another social organization? __________Yuan
      h. How much came from the school’s revenue? __________Yuan
      i. Other sources. Please explain. ________________
   2. No
### H. School's Income and Expenditures

Note when answering questions about use of funds in H2-H5 please use the following codes:
1. Water, electricity and heating  
2. Other office expenses  
3. Lab equipment  
4. Sports equipment  
5. Library books  
6. Teachers bonus and benefits  
7. Student scholarships  
8. School maintenance expenses  
9. Teacher salary  
10. Building of new school buildings  
11. Other (Please explain)

#### H2. Does the school have any programs for the generation of revenue (chuangshou)?

1. Yes …
   a. What is the main means of revenue generation?  
   b. This year what was the net income after tax?  
   c. What is the main use of the money that the school generates from these programs? (Please refer to the codes above)

2. No

#### H3. Apart from covering the teacher salaries is government funding used for anything else?

1. Yes …
   a. This semester how much was used for other purposes?  
   b. What was the main use of the money? (Please refer to the codes above)

2. No

#### H4. Does the school also receive money from community donations and collections?

1. Yes …
   a. This year how much money was obtained from community donations and collections?  

What was the source of this money?
1. Donations from the teachers in the school
