UCI ANTtrepreneur Center Corporate Circle

By sponsoring the activities and students of the ANTtrepreneur Center, your company gains access to skilled, innovative, and prepared student entrepreneurs while creating an entrepreneurial ecosystem in Orange County focused on the new generation of young leaders.

The UCI ANTtrepreneur Center Corporate Circle is an exclusive group of companies that recognize the importance of entrepreneurship in the educational journey of students and seek positive interaction and productive engagement with UCI students.

The ANTtrepreneur Center is an open door to any student on campus curious about entrepreneurship. Through an immersive and engaging experience, students are offered resources and support to guide them from ideation to creation to the building of an entrepreneurial mindset. The lifelong skills our students develop lead to success after graduation whether they join a startup, start their own business, or pursue a traditional career.
BENEFITS OF BECOMING A CORPORATE CIRCLE MEMBER
ANTrepreneur Center Corporate Circle membership starts at $25,000.
Corporate Circle members support UCI students and the ANTrepreneur Center through scholarships, student startup funds, mentoring and networking partnerships, and experiential learning programs.

All ANTrepreneur Center Corporate Circle members will be recognized in the UCI ANTrepreneur Center.

Benefits of ANTrepreneur Center Corporate Circle Membership:

1. Access to entrepreneurial-focused students with representation from all schools on campus
2. Exposure to all 30,000+ undergraduate and graduate students at UCI
3. Opportunities to engage as speakers, judges, and mentors or participate in other exciting interactive experiences
4. Opportunity to name a student startup award
5. Access to UCI faculty and campus leadership
