Mission:
The ANTrepreneur Center External Committee (ACE) is a dedicated group of volunteers comprised of alumni, business executives, and community leaders with a shared commitment to increasing experiential education and opportunities for all UCI students interested in entrepreneurship.

Charge & Expectations:
Members share a two-fold purpose: Community/program engagement and development of fundraising opportunities.

Members are expected to:
- Actively participate in four full ACE Committee meetings per year + two subcommittee meetings
- Provide advice and input to ANTrepreneur Center leadership in key areas:
  - Initiatives: gigwork, entrepreneurship for women and students of color
  - Student involvement
  - How to best position resources for student success
- Connect the ANTrepreneur Center with individuals and organizations that are potential partners
- Over the course of the year, the ANTrepreneur Center will engage external partners through:
  - Mentoring startups and students
  - Expert workshops
  - Industry-specific or theme-based programming
  - Leadership talks and events
  - Fundraising opportunities in support of the ANTrepreneur Center and Students
- An annual commitment of personal or organizational financial support

Responsibilities to our Members:
- Update members on key programs and news
- Actively engage members in special events or projects
- Ability to use ANTrepreneur Center communication channels to cross-promote the groups, organizations, or events that you are passionate about
- Provide clear and transparent communication and directives to work towards our common goal as partners and make use of your valuable time and talent
