B. Credit for four years of high school study or its equivalent in a single language other than English with a C average or better in the fourth year.

D. A score of 620 or better on a College Board SAT II examination in a language other than English, with the exception of SAT II: Modern Hebrew for which a score of 540 or better is required.

E. Completion of an approved course of study through the Education Abroad Program (EAP). Careful planning is required to ensure that this requirement is fulfilled. Check with an EAP counselor at the Center for International Education to determine the programs in countries that fulfill this requirement.

F. The equivalent as determined by an appropriate and available means of evaluation. For information on availability of such examinations and testing schedules, consult the Academic Testing Center, 3040 Anteater Instruction and Resource Building, (949) 824-6207. If an appropriate means of evaluating competence in a non-English language of instruction does not exist, satisfactory completion, with a C average or better, of one year of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English will meet the requirement. Appropriate documentation must be presented to substantiate that the course work was completed.
