**MASSACHUSETTS ACADEMY OF MATHEMATICS AND SCIENCE
NATIONAL HONOR SOCIETY
MEMBERSHIP CONTRACT**

I understand that membership in the National Honor Society is both an honor and a responsibility. I have been selected for membership because I have demonstrated the qualities of scholarship, service, leadership, and character. As a member, I am expected to continue demonstrating and strengthening these qualities throughout my junior and senior years.

As a member of the Mass Academy Chapter of the National Honor Society, I will:

1. Respect school officials
2. Honor my academic, leadership, and service commitments
3. Abide by all school policies
4. Strive to be a positive role model in my school and in my community

I realize that I shall be subject to corrective action (ranging from a warning to a dismissal from the National Honor Society, depending upon the severity of the offense) for violating the student code of conduct, including the academic honesty policy, or not exhibiting the qualities of the society, including scholarship, service, leadership, and character.

Before a dismissal occurs, there shall be a hearing before the National Honor Society Faculty Council, which will make the final decision concerning dismissal. A student may attend this meeting to present their perspective and may be accompanied by their parent(s)/legal guardian(s).

I have read the bylaws and the membership contract for the Massachusetts Academy of Math and Science, and I understand its provisions.
