

## [For best experience please open/operate Hopin using Google Chrome](#)

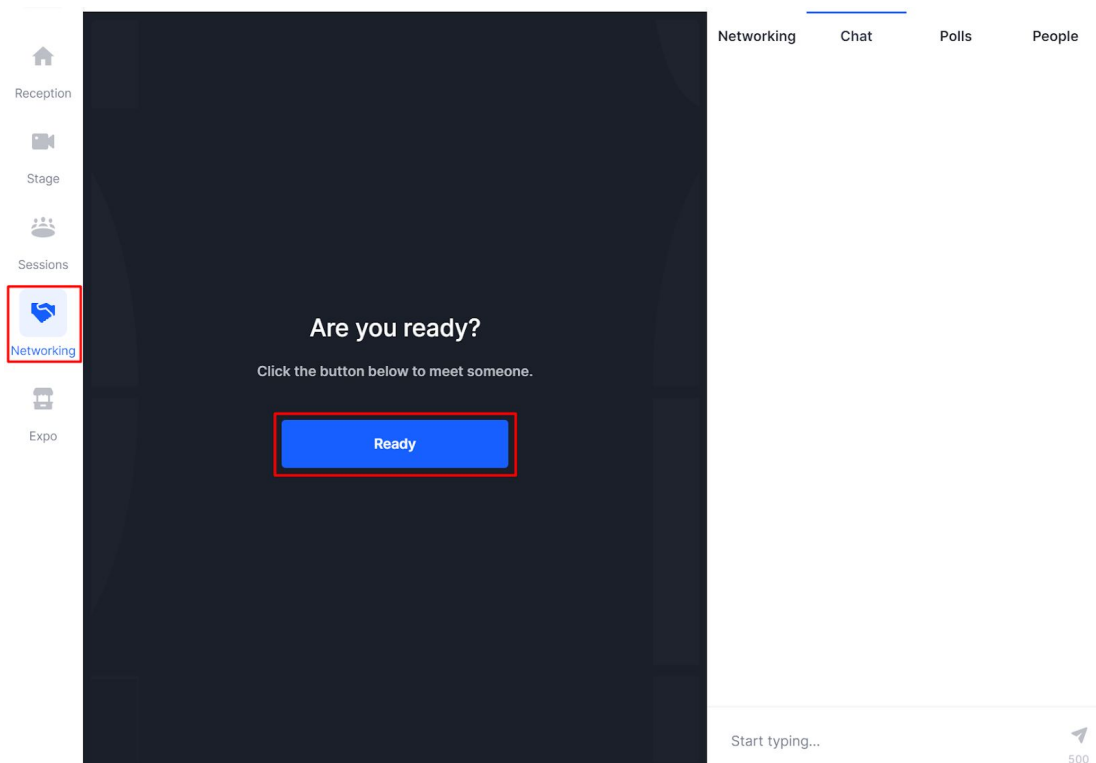

If you haven't already, please use the following link to register for this event via Hopin (please note this will require you have/ create a **free** Hopin account) :

<https://hopin.com/events/women-in-data-science-wids-central-massachusetts-networking-session/sponsors>

This guide is designed to help you get the most out of this networking session.

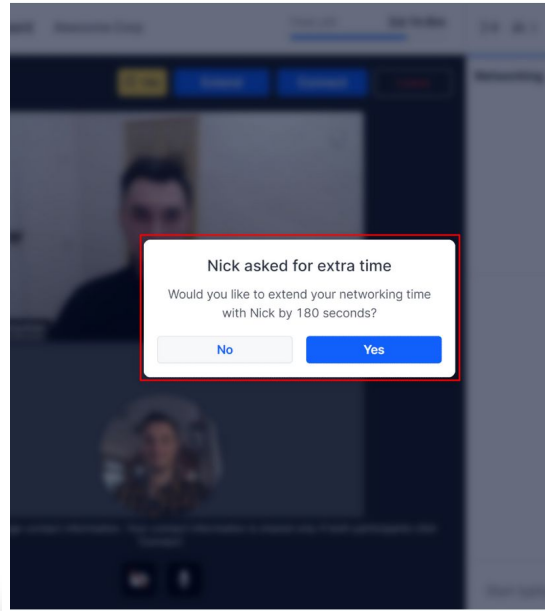

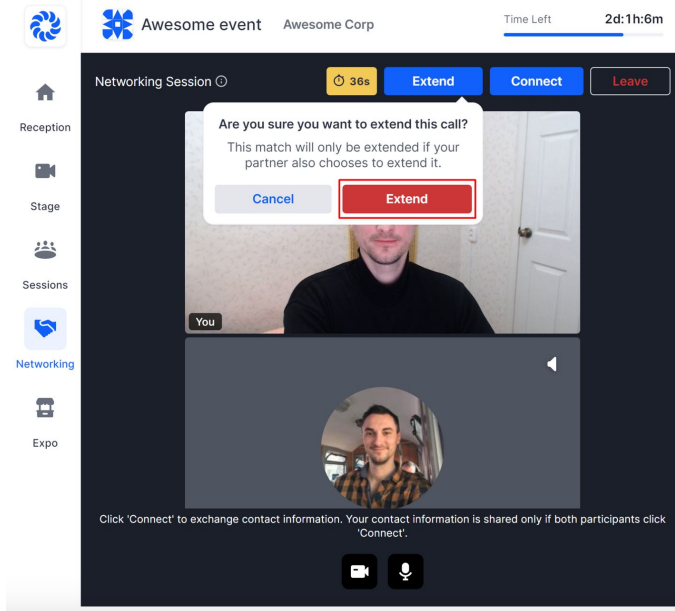

### 1. ENTERING THE NETWORKING SESSION

Once you enter the Hopin event on the right hand side you will see a “Networking” button. Click this button. You will be prompted to begin to meet with someone, click “Ready” to continue.

### 2. EXTENDING MEETING TIME

Each pair will begin with 2.5 minutes to meet and greet. If you and the other person would like to continue to talk past this 2.5 minutes BOTH parties must hit the EXTEND button as pictures below. If you both do not before the time runs out, you will move onto the next person.

### 3. CONNECTING WITH INDIVIDUALS

If you would like to share your information (contact information is shared securely through your hopin account) hit the “Connect” button as pictured below. At the end of the event (4:30pm) if BOTH parties hit the “Connect” button, then your information will be shared with each other. This information can be found on your homepage of your Hopin account.
