1. SGA is auditing clubs to gauge treasurers’ knowledge on financial matters and make sure all clubs are following financial rules.
2. Senators will be assigned constituents on September 14th, and senators will need to schedule a meeting with their constituent’s president or treasurer. Senators will also analyze the club’s Funding Requests and Budgets.
3. All of the information gathered will be sent out in early October.
4. Chair Racca will be sending out a guide for the interview process. Senators should ask about when the treasurer started as a treasurer. Senators are discouraged from filling out forms during interviews so the senator can think about each response.
5. All budgets and Funding Requests will be in a folder that will be linked in the Club Auditing guide for senators to review.
6. All senators were added to a slack channel to give senators a place to ask financial questions.

XI. Faculty, Institute, and Special Committees
   a. WSGA Updates – Chair Hager
      i. WSGA discussed how to get more voter turnout in elections. Newer ideas were to get “I voted” stickers or pins to attract attention
      ii. Chair LaJeunesse stated that people could take stickers off of them and put them on objects around campus. That was the reason for getting rid of stickers.
      iii. Accountant Bimonte stated that this would be for publicity for elections, as people would see the stickers and try to figure out what they are for.
      iv. Chair Racca is against stickers because it doesn’t set a good precedent for SGA to allow stickers while clubs aren’t allowed stickers.
      v. Senator Charles asked how many people usually vote in the elections.
         1. President Wilson answered that roughly 650-850 people vote in elections.

   b. Senator Cannata stated that WPI is looking into closing the I&E Room in the Foise Innovation Studio.
      i. Technical Coordinator Tocci is against this closure, as the purpose of the space was presented to be vague. He also stated that the school should not build an area for only a specific group of students with the money of the entire student body.
ii. President Wilson stated that she reached out to Donna Levin to gather more information. The I&E Room will only be available for the groups listed in the email. Senators with a strong opinion should reach out to those making the decision, and go to the meeting being held to discuss the proper use of the space.

iii. Chair Bimonte stated that roughly 30% of campus have signed this position. He believes SGA should support this position to keep the area open for all of campus for the time being.

iv. Senator Silvia asked how many people would be using the room. President Wilson answered that 180 people total will be using the room, but is unsure of the number of students.

v. Chair Tavares stated that the space in question was intended to be closed for specific projects, but anyone could sign up for the project. Administration opened the space to campus to test how the area would be used.

vi. Chair Tavares believes that only active WPI students should sign petitions for SGA to consider it valid, as alumni have signed the current petition. He suggests sending out a new petition for only WPI students.

vii. President Wilson spoke to Dean Heinricher about the area being closed to the public, and her and Treasure Candy have a meeting with Dean Clay, where they will bring up the status of the area and the concerns of the students. She recommended that Senators discuss how this closure effects the students, and options for a compromise.

viii. Chair Bimonte motioned for SGA to formally back the petition written about the closure. The motion was not heard.

ix. Chair LaJeunesse mentioned possibly splitting the hours of the room to compromise with the students.

x. Senator Shalit asked if there were other open places that are closed to the public. President Wilson answered that she is unsure of any other spaces like this.

xi. Senator Cannata asked what the difference is between space being used for entrepreneurial reasons and for academic reasons. Chair Tavares answered that this space should be used to house different groups of entrepreneurs to gather new ideas and collaborate.

xii. Chair Bimonte asked if the Director of I&E could come to Senate to talk more about the purpose of this closure.

xiii. Chair Racca mentioned that our bylaws state that if SGA asks for an administrator to be present for senate, they must attend. This situation is a time when this power could be used.

xiv. Chair Hager stated that this area is one of the only spacious areas to collaborate. He believes that it isn’t fair that the space is going to be closed when there is such a benefit to campus to keep them open.

xv. Senator Starr suggested making this space available on 25Live.
The Mission of SGA is to improve the quality of undergraduate student life at the University both academically and socially by addressing student needs and concerns, providing financial structure of WPI's student clubs and organizations, and representing the student body in a professional manner.
