were unable to attend in Harrington Auditorium due to security, and are moving to Alden Hall. This event will have poetry, fashion, spoken word, and singing to showcase culture. They are bringing local designers, and are having designers in different styles. They would also like to have a performer. Their performers are small scale artists that are still known. They have raised a total of $1,507 from outside sources. The total cost of the event is $40,366.10, and already have $9,936.59. The fashion show this year is cheaper than last year, but the content of the event will still be entertaining.

ii. Questions:
1. If this request was approved, would BSU still try to reach out to other departments for more funding?
   - They have reached out to Residential Services and the OMA, and have stated that they are willing to give funding to this event.
2. Are tickets being sold?
   - Tickets for WPI students will be $5. The after-party will be free with a recommended donation of $3. Outside people will be sold tickets for $10 and $5 for the after-party.
3. What is the benefit of the after-party?
   - The social event gives people a place to express themselves with black culture. This has been a successful aspect of the event in the past.
4. What is the timeline for price ranges for artists?
   - The artists are between $15,000 and $25,000, and are requesting now to ensure these costs.
5. How many people can attend the event in Alden Memorial?
   - 500 Students.
6. How many students outside of WPI are expected?
   - Roughly 100 outside students.
7. What has been the attendance at previous Fashion Shows?
   - In Harrington, they were unable to have their goal of 850 students due to security.
   - In Alden Memorial, they sold out the event.
8. Are ticket sales going to donations or to fund the event?
   - They will go to fund the event.
9. How much of the ticket sales are being donated?
   - Ticket sales will not be donated for the Fashion Show. Only after-party tickets for WPI students will be donated.
10. If BSU receives higher sales than expected, will extra ticket sales roll back to SGA?
    - We will only transfer funds for the money they spend from SGA, not including the cost from outside sources and ticket sales.
The Mission of SGA is to improve the quality of undergraduate student life at the University both academically and socially by addressing student needs and concerns, providing financial structure of WPI's student clubs and organizations, and representing the student body in a professional manner.

11. Can we ensure that ticket sales would offset the cost of non-WPI students?
   - SGA cannot ensure that. Tickets could be sold out to only WPI students, but we cannot guarantee that?

12. What was the cost of the artist last year?
   - They only had a host, not an artist. That host costed $10,000

13. What cost of the after-party is in the funding request?
   - The cost of facilities, security, police, and EMS. They also have a separate cost for the after-party’s DJ.

14. Have we funded the after-party in the past?
   - Not directly. SGA paid for food for the volunteers, the stage, and lighting. We already paid for those, so they could have been used for the after-party

15. How would this after-party be different than other events like this?
   - We have not funded this kind of event with other large-scale events.

16. Campus Police has a minimum cost. Would the length of the event reach that minimum cost?

18. Why does BSU want to hire 3 WPI police officers and 3 Worcester police officers?
   - If there are not enough officers from WPI to help, they will need to pay for Worcester Police Officers.

iii. Points of Information:
1. The suggested donation is different than the ticket costs for the event.
2. We shouldn’t correlate two different events.
3. The After-party’s donations are going to a good cause.

iv. Pros:
1. BSU have put in a lot of work in the past for this event, and the event has gotten serious recognition and awards for the event.
2. This large event would satisfy students who want large campus-wide events.
3. This is a cultural event, and having a cultural event without music would not make sense. The cost of this request is reasonable as well.
4. Art will also be highlighted at this event, which is a great way to showcase culture as well as music.

v. Cons:
1. There is no point of the after-party.
2. It is not a good idea to pass this event when we just denied Big Show, a similar event.

The Mission of SGA is to improve the quality of undergraduate student life at the University both academically and socially by addressing student needs and concerns, providing financial structure of WPI’s student clubs and organizations, and representing the student body in a professional manner.
3. SGA funds should not go towards an event for people outside of WPI.
