Session Title	Session Description	Intended Audience
District and School Leader Session	Special dedicated session for current PLTW school and district leaders. This double block session, designed specifically for leaders, will provide important updates for leaders about the programming available for students and teachers throughout the year, emerging findings from our researcher who is conducting a 6-year longitudinal study on the PLTW work in MA, and an opportunity to connect with other PLTW leaders to share best practices and network. Current PLTW leaders shouldn't miss this session!	Current Program Administrators
Showcase	Join us in the Showcase area to experience several PLTW activities in a one-on-one environment. Example projects will be shared as well as opportunities to interact with PLTW Students. You can even try an Instant Challenge!	All
