

# Turn Cooperation into Collaboration

A dark blue, solid-colored shape that starts from the bottom left corner and extends diagonally upwards to the right, covering the bottom half of the slide.

# Defining Collaboration

1. How do your students work together in your classroom AND in what ways would you like to see this improve?
2. What is the difference between working together and collaborating as a team?
3. Here is one possible [anchor chart](#) (Document used with students to help remind them a concept or skill)

# Teaming

1. How do you pick your teams?
2. How long do your teams work together?
3. How do you get your teams started working together?

# Teaching collaboration

1. Do you teach students how to work together?
2. What did you learn from the video?
  1. What norms/structures can you put in place to teach students to work together?

# Managing collaboration

1. Brainstorm all the problems with team collaboration.
2. What are some structures to successfully manage various teams?
3. Do our classrooms pose the necessary questions to truly allow for collaboration?
