Project-Based Writing
By: Liz Prather
Heinemann, 2017.
[Note: about high school writing, but gives practical organizing/planning tips for structuring projects]

“How Writing Contributes to Learning: New Findings from a National Study and Their Local Application”
By: Paul Anderson, Chris M. Anson, Tom Fish, Robert M. Gonyea, Margaret Marshall, Wendy Menefee-Libey, Charles Paine, Laura Palucki Blake and Susan Weaver
https://www.aacu.org/peerreview/2017/Winter/Anderson
[Note: wrap up of institutional study of the value of writing for student engagement]
