Parents and Community members:

Yesterday, Wednesday, January 16, 2019, the Columbia Borough Police received an anonymous tip on their tip line. While the tip was not relevant to the school district, there was a statement regarding a potential threat to a school district building.

The Police and school district administration worked together to thoroughly investigate this anonymous tip. After completing an investigation, the police department deemed the threat to be unwarranted.

The Columbia Borough School District and Columbia Borough Police handle every tip seriously and thoroughly investigate. At this time, there is no known threats to our students, staff, or facilities.

Students and staff safety is the highest priority in the Columbia Borough School District. If you hear or see something, please report it to the building Principal or Columbia Borough Police immediately.

Thank you.

Sincerely,

Thomas Strickler
Superintendent
