Vocabulary & Definitions

Name: _____

Chapters or Units Covered: _____

Instructions: Your job is to be on the lookout for important words or terms that you will need to define for the test – words that members of the group need to notice and understand. Highlight these key words/terms, indicate the proper definition/explanation and then finally draw a diagram or relate this term to other key terms or concepts.

Word	Definition/Explanation	Draw a Figure/Relate to Other Terms

Connections

Name: _____

Chapters or Units Covered: _____

Instructions: Your job is to find connections between the content in your text book and notes. Go through the chapter in the textbook and look for specific examples or figures not used in lecture then ink these to what was discussed in lecture.
