Action Plan

Sticking to the goals we set for ourselves is hard to do. This can be especially true for semester-long classes. This form is designed to help you articulate your goal clearly, create an easy to follow road map by breaking it down into a series of mini objectives, and most importantly, help you plan ahead for the inevitable slip-ups so they don't cause you to throw up your hands in defeat. Before you know it, you'll have arrived at your destination.
