

2020-2021 Private Education Loan Certification Request

This form is for students who are requesting certification of their Private Alternative Loan. Your private loan will not be certified until the form has been completed and returned to the Financial Aid Office. Please contact the Financial Aid Office prior to completing an alternative (private) loan application in order to determine if a federal loan is available to you and to determine the amount you could be eligible to borrow. Every student that completes the Free Application for Federal Student Aid (FAFSA) and meets minimum eligibility criteria (citizenship, Selective Service registration, no defaulted loans, etc.) could be eligible for federal loan. Federal Student and/or Parent loans often offer borrower benefits and fixed interest rates that are more beneficial than alternative loans. Alternative loans are not guaranteed by the federal government. Terms and conditions vary by lender.
