

Greetings Counselors,

We understand that this is a trying time for schools across the world, the Admissions Team at Paul Smith's College wants you to know that we will do everything in our power to ease the college admissions process for you and your students. In light of the challenges we are all facing, please see our updated policies below regarding admissions, documents, and deposits.

- Paul Smith's College is on Rolling Admissions, and we are still accepting applications for Fall 2020.
- It is FREE to apply via the Common App or the Paul Smith's [web application](#).
- There is NO deposit deadline.
- Transcripts can be sent via your official work email address.
- Applicants and Accepted students that may want to defer have the option to do so. Both can defer either their application, or acceptance for up to a year without having to reapply.
- We offer flexible and easy tuition payment plans.

To help support prospective students, parents, and counselors, we will be offering many opportunities to virtually connect with the Admissions Team, current students, and Faculty members, take virtual tours of campus, and ask questions about academic programs, student life, the application process, and more.

We are looking forward to supporting you and students through this process, if you have any questions, please do not hesitate to reach out.

Thank you for all you do!

Best,

The Paul Smith's College Admissions Team
