## Scheduled Events

Sunday, Sept. 23

### Wild Edible Workshop

Wild Edibles-Workshop will be hands-on culminating with a wild lunch prepared by participants. Learn how to utilize the plants and roots discussed in Wild Walks.

Workshop will run 9-12, \$35/person.

### Soap Making with Attagirl Soaps

This class will be using the modern method of making soap, the hot process method, using crock pots to create a shampoo bar. Each student walks away with two bars.

Workshop will run 9-11, \$35/person.

### Take a Walk on the Wild Side: Workshop & Walk on Edible & Medicinal Mushrooms of the ADKs

Mushroom hunting is a challenging, enlightening and uplifting activity for all ages. The mushrooms of the Adirondack region are delicious and nutritious, vital and valuable.

Workshop will run 9-11, \$35/person.

### Adirondack Backcountry Skills

Lost, or just having fun? Learn the essential tools and approaches to fire, water, food, navigation and other essential parts of backcountry survival.

Workshop will run 9-11, \$35/person.
