

Saunders Sports Complex

Canoe Repair Technician

Requirements:

1. Student employees must report to the work site prepared to work. This means dressed appropriately for the position.
2. Maintain a professional manner on the work site. Priorities must be safety, maintenance and education.
3. Have a working knowledge of boat repair.

Description: Fix and maintain boats for various uses.

Relevant Skills:

- Self-motivated and able to work independently
- Organized with attention to detail
- Ability to maintain a clean and functional space
- Ability to maintain equipment properly
- Ability to work with a variety of boats (Kevlar, Carbon fiber, Plastic, etc) and working knowledge of how to perform repairs is required.
- Must already possess skills. No training will be provided.

How to apply: First time applicants are encouraged to submit a cover letter and resume to Matthew Dougherty. Hiring is based primarily on the professionalism of resumes and cover letters. Applicants will receive a confirmation e-mail that information has been received and any further steps needed to complete process.

The Recreation Department receives an overwhelming number of applications each semester. The department is not able to guarantee a position to anyone. Positions fill quickly and those who are interested in this position are encouraged to apply before the semester begins.

Hours: TBD

Please submit a cover letter and resume to Matthew Dougherty at mdougherty@paulsmiths.edu
